### Application:

John 1:5 could be a synopsis of what happened in Antioch. *“The light shines in the darkness, and the darkness has not overcome it.”*

- It has been well said that “God’s light shines brightest in the darkness.” What do you believe those around us need in these “unprecedented” days? In what way do you possess what they need?
- Antioch was evangelized by average members of Christ’s Body who were willing to share their faith. What do you think motivated them to do so? What would motivate you to do so?
- Is the Lord asking you to help encourage someone to fulfill their God given purpose?
